With Dimensional Logos

STAHL'S EMBLEMS & PATCHES

flexstyle
by STAHL'S

FlexStyle® custom emblems are a premium, lightweight alternative to embroidery. Available in pressure sensitive or heat applied options, add a full color, high-detailed emblem to any hat, bag, garment, or hard goods—with only a heat press. Emblem options include Textured, Domed, Flat, and Beveled.

3D Embroidered Patches

These custom raised patches make it easy to create a dimensional, high-end look for any job. Add premium designs and logos to hats, bags, heavy apparel, and hard goods on demand.

Embroidered Patches

These flat patches provide the classic look of embroidery without threading a needle. Get logos and designs cut into custom shapes and sizes that are perfect for totes, bags, and more.

Leather Patches

Laser-etched custom genuine leather patches add a rugged, yet refined look to apparel and beyond. These patches offer unmatched durability, hold fine details, and come in a variety of colors that bring your customer's brand to life.

CAD-PRINTZ® Perma-TWILL®

A premium no-sew option for items that are traditionally embroidered. This 100% Polyester Tackle Twill material is commonly used for sponsor logos in professional sports. Deliver the look of high-end patches, no sewing required.

CAD-PRINTZ® Texture-TWILL®

Apply multiple twill colors in a single layer with this premium twill material. These patches have a woven and textured embroidery-like finish and can be heat applied only or finished with an embroidered edge. The semi-gloss fabric sheen commands attention.
